The South Carolina Academy of Physician Assistants (SCAPA) is gearing up for our annual fall conference to be held October 10-14, 2010, at Wild Dunes on Isles of Palms, South Carolina. This event personifies the SCAPA mission *to promote quality, cost effective, and accessible healthcare through the professional and clinical development of physician assistants in the state of South Carolina*. The CME Conference Committee is planning over 30 hours of CME credits with a program that will interest primary care, specialty, certifying, and re-certifying PA's. Pharmaceutical supported and independent lecturers will be scheduled. Opportunities for adjunct symposiums are also available. We are anticipating 250 attendees for this year's conference and are proud to invite you to support our efforts.

Support opportunities available include:

- 1) **Providing an Educational Grant** – Numerous opportunities are available for companies to provide educational grants to support the lecture-learner portion of our CME program. Please use the enclosed Corporate Support Form to provide grant information and instructions.
- 2) **Hosting an Adjunct Symposium** – Opportunities are available for companies that would like to host a promotional, non-CME breakfast, lunch, or dinner lecture. Requests for adjunct lectures should be communicated to the SCAPA office immediately as opportunities are limited.
- 3) **Exhibiting** - Dedicated Exhibit Hall hours are held throughout the day on Monday, October 11, with exhibits being set up on Sunday evening. Exhibits may remain set-up for the duration of the conference. See the enclosed Conference Outline for dedicated exhibit times.

We would appreciate receiving your commitment for support of the SCAPA CME Conference as soon as possible so that appropriate steps can be taken to ensure your desired participation and also so we can include lecture information and acknowledgements in the promotional materials that will be distributed to thousands of physician assistants and nurse practitioners. Please coordinate your support through the SCAPA office with our Executive Director, Janet Jordan, CAE. We thank you for your consideration and look forward to hearing from you.

Sincerely,
SCAPA CME Planning Committee Chairs
